

premium black board

Construction	100% recycled materials	<p>Our Premium Black Board is a solid black low-density, three-ply board designed with performance in mind. It features a deep black appearance with an ultra-smooth finish and exceptional lay flat properties. It is manufactured like our Coverboard (Graphic Board, Euro Board). Its shorter fibers and control in the production process assure superior warp resistance to black chip board products. Premium Black Board is made from 100% recycled paper. Perfect for when your product demands a stable, smooth, rich black board. Ideal for publishing, rigid boxes, or spirits packaging.</p> <p>Samples available upon request</p>  <p><i>100% employee-owned</i></p> <p>1801 Thompson Ave. Des Moines, IA 50316-2751 P 800.247.5323 www.lbsbind.com info@lbsbind.com</p>
