

cover boards

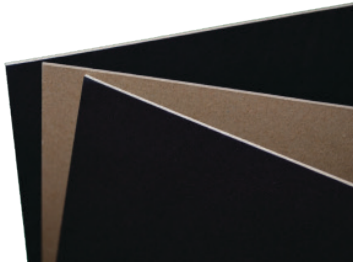

Board is the foundation of every high-quality product and our boards were specifically designed to meet the needs of bind-on-demand, photo book, yearbook, menu, stationery, and luxury packaging applications. We work closely with our board manufacturers to offer an extensive array of commonly used and unique cover boards.

Samples available upon request

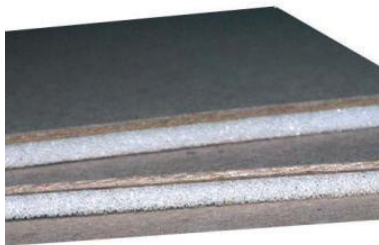

BINDERS BOARD

Our exclusive PrimeOne® board is the most warp-resistant board on the market. It is smooth, even in color, and free of blemishes. These features make our PrimeOne® board an excellent choice for any type of book.

GRAPHIC BOARDS

We offer a wide selection of graphic boards in various calipers. From black to white and flexible to rigid, our boards will provide a stable base for your book or packaging project.

SPECIALTY BOARDS

Sometimes a unique project requires a special board. Our specialty boards include padded foam board, hemp infused folding board, and laminated SBS board in a variety of sizes and calipers.
