

# cover boards

Board is the foundation of every high-quality product and our boards were specifically designed to meet the needs of bind-on-demand, photo book, yearbook, menu, stationery, and luxury packaging applications. We work closely with our board manufacturers to offer an extensive array of commonly used and unique cover boards.

**Samples available upon request**

## **GRAPHIC BOARDS**

We offer a wide selection of graphic boards in various calipers and densities. From black to white and flexible to rigid, our boards will provide a stable base for your book or packaging project.

## **COVER BOARD**

Our exclusive PRIMEONE® branded boards feature anti-warp technology, guaranteeing a smooth, warp-resistant surface every time. Made from 100% recycled materials and fully recyclable, PRIMEONE 3.5 board combines sustainability with unparalleled quality made in the USA.

## **SPECIALTY BOARDS**

Sometimes a unique project requires a special board. Our specialty boards include padded foam board, hemp infused folding board, and laminated SBS board in a variety of sizes and calipers.
