board & folding carton

Our premium board and folding carton solutions are designed to elevate your packaging from the inside out. High-quality cover boards provide strength, durability, and a smooth surface—perfect for creating rigid boxes, inserts, and other structural components that support and enhance your box project.

Complementing our rigid board offering, LBS's premium folding cartons combine structural integrity with refined aesthetics. Available in a variety of finishes, our folding cartons deliver a high-end, visually stunning experience that reinforces your design expertise.

Our portfolio includes board products from international and domestic mills.
